The Society of Tribologists and Lubrication Engineers (STLE) 68th Annual Meeting

DETROIT, MI, May 5th-9th, 2013 - The STLE Annual Meeting showcases more than 350 technical papers, application-based case studies and best practice reports, and discussion panels on technical or market trends. Education courses support professional development needs and prepare people for one of STLE's three certification programs.

Exhibits and commercial presentations spotlight the latest products and services of interest to lubrication professionals. Business networking is another invaluable part of the STLE meeting experience.

Climax Moly representatives will be attending this conference. If you are interested in meeting with us, please contact climax@fmi.com.
